

PHOTOGRAPHER Information

We are looking forward to welcoming a small number of photographers for a unique event combining some of the worlds most famous Bodypainters, with some of the most beautiful historical sites in the 1000-year-old town of Eppingen.

A small group of 10 to 12 international artists will be painting on location over the space of three days. Some of these locations will be closed sites, restricted to our limited number of VIP photographers, while other locations will be more open to the larger group of photographers and spectators.

The event will have an intimate and communal vibe with artists and models staying in a shared location, workshopping their ideas and exchanging techniques. Models will be painted live. As there is no competition involved, we expect a smooth flowing and enjoyable couple of days with artists creating with free expression.

- ▶ Event-Location: Schwanenwiese, Bahnhofstraße 26, 75031 Eppingen - Baden-Wuerttemberg, Germany
- ▶ Photo-Shootings: historical city, park, sculptures, historical museum, ancient prison tower, vaulted cellar
- ▶ Access to event-location and painting sessions starts at 13:00 (1:00 pm)
- ▶ Foto-Shootings from 16:00 to 18:30 (4:00 to 6:30 pm)

VIP Photo Tickets:

A maximum 10 VIP photo tickets per day are available
(can be purchased as single day tickets or multiple day tickets).

VIP -tickets have exclusive access to five unique locations inside the historical city of Eppingen. Each spot will have a separate artist creating a special bodypainting for/ with the location. Models will stay in their location while photographers are rotated in timed slots between the locations.

This is to allow each photographer an uninterrupted 1-2-1 time slot with the exclusive models. In addition VIP ticket holders have access to the photo safari, where the other models will be found in multiple locations, each day. Photographers are encouraged to bring a portable flash kit or other equipment of their choice, as long as it can be considered "mobile". One standard studio set up will be available separate from the exclusive locations.

VIP photo ticket prices: Single-day ticket € 180.-
 Three-day ticket € 490.-

Photo Safari ticket:

For single or multiple day photography access, we will also have a photo safari available. This is a series of locations on a circuit walk where models will be positioned on locations and painted in a more relaxed theme by our group of international artists. This will be available for viewing by the public, so that our audience can see the process of artworks being captured by photographers, and get an inside view into how bodypainting becomes photographic art.

SAFARI photo ticket prices: Single-day ticket € 75.-
 Three-day ticket € 190.-

With a specially selected group of international artists, a unique historical location and event organisation focusing on the artists community, we are expecting to create not just uniquely beautiful art over these three days, but some unforgettable community memories.

Contact us and be a part of this exciting opportunity.

with kind regards
your Artificium-Team
